| Labels: | None  | | |

Description

Link from the Consumers Menu option to a page that allows you to search for the most frequent events for a drug.

Use the filter below drill information based on the drug.

Drug Name (Autocomplete):

- Brand Name (Medicinal Products)

Seriousness (Selection):

- Serious
- Non-Serious

Seriousness Outcomes (Selection):

- Results in death
- Life threatening
- Caused/prolonged hospitalization
- Disabling/Incapacitating
- Congenital anomaly/birth defect
- Other medically important condition

Acceptance Criteria

Display a form that allows entry of a Drug Name (Auto Complete) and filter based on the following:

Seriousness (Selection):

Serious

Non-Serious

Seriousness Outcomes (Selection):

Results in death

Life threatening

Caused/prolonged hospitalization

Disabling/Incapacitating

Congenital anomaly/birth defect

Other medically important condition

Test Details

| Test Step | Test Data | Expected Result |
|-----------|-----------|-----------------|
| | | |

| | | | |
|---|--|---|--|
| 1 | Launch valid url | | 18F home page should open up. |
| 2 | Click on Consumer link | | Adverse Event page should open up. |
| 3 | Check that Drug Name field is in the form | | Drug Name field should be displayed on the form on the left side of the page. |
| 4 | Enter drug name | | Consumer should be able to enter the drug name and it should be displayed. |
| 5 | Start typing any letter in Drug Name field | Drug Name (Autocomplete): | As consumer starts typing in Drug Name field list of drugs with the letter should be displayed. Drug Name field should be auto complete field. |
| 6 | In drug name field enter any invalid name and Generate Chart: aaaaa | Error message: Oh snap! Your search criteria did not give a result. Please change some parameters and try again. | Error message should be displayed. |
| 7 | Enter two drug names together and Generate Chart | Error message: Oh snap! Your search criteria did not give a result. Please change some parameters and try again. | Error message should be displayed. |
| 8 | Enter long drug name | | Consumer should be able to enter the long drug name. |
| 9 | Check the Significance of the | • Serious | Following Significance of the |
